8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 ALICE TRUSS,

11 Plaintiff,

12 v.

13 FOSS HOME AND VILLAGE,

14 Defendant.

No. CV03-2523RSL

ORDER REQUESTING
SUPPLEMENTAL BRIEFING

15 This matter comes before the Court *sua sponte*. On January 28, 2005 the Court granted
16 defendant's motion for summary judgment on plaintiff's wrongful termination claim under Title
17 VII and her retaliation in violation of public policy claim under Washington law (Dkt. #37). On
18 November 30, 2006 the Ninth Circuit affirmed the Court with regard to plaintiff's federal
19 claims, but reversed the Court on plaintiff's state law claims. Accordingly, the parties are
20 ORDERED to provide supplemental memoranda outlining their position as to whether the case
21 should remain in federal court or be dismissed so that the plaintiff can re-file her state law
22 claims in state court.

23
24 Plaintiff shall file a memorandum on that subject no later than February 20, 2007 and
25 note the motion for consideration on March 20, 2007. Defendant shall file its response by
26 March 13, 2007, and plaintiff's reply, if any, must be filed by March 20, 2007. Both parties
